SACRED PREPARATION

Before you start our 4-day journey, please be sure to take the [Priestess Leadership Style Quiz](#) if you haven't already—you'll need your results for the mini course.

Contemplate:

- Your priestess leadership quiz results
- How priestess ceremonial leadership is awakening within you
- What you believe your gifts and strengths are

Ask yourself the following questions:

- Am I actually a leader? Why or why not?
- What kind of ceremonial leader am I?
- How do I collaborate with others and not lose myself?
- What intuitive gifts have I gained throughout these past 12 months in isolation?

Build:

- An altar to one of the faces of priestess ceremonial leadership that is most calling you; consider gathering symbols, images, flowers, or offerings that amplify the energy of Her sacred presence

Ritually Bathe/Shower:

- The night before/morning of our opening ceremony
- Cleanse and love your body vessel

Adorn your body:

- With something that connects to your ceremonial leadership style; this could be a certain color of clothing, jewelry, a specific scent, etc.
